Drawings

The drawings were received on February 25, 2004. These drawings are acceptable.

Allowable Subject Matter

3. Claims 1-12 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claims 1 and 4 are allowed because the closest prior art, Harris et al. (US Patent Application Publication 2002/0197994) and Livet et al. (US Patent Number 7,058,398),

Art Unit: 2617

either singularly or in combination, fail to anticipate or render obvious when establishing a radio resource control connection between a terminal and a radio access network resulting in the initiation of the terminal and wherein the mobile control and terminal are configured with the USER ID and a identifier Parent paging and broadcast identification that is associated with the mobile control, which are indeed used uniquely to identify the terminal in other radio resource control messages and sending messages containing the user identification and the parent paging and broadcast identification corresponding to the mobile control and associated to parent paging and broadcast, which consequently corresponds to the cellular ID of the addressed cell and paging and broadcast Id from the paging and broadcast transport addresses as represented by the mobile control; all limitations in combination with any other limitation(s) in the claims as defined by applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Julio R. Perez whose telephone number is (571) 272-7846. The examiner can normally be reached on 10:30 - 6:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph H. Feild can be reached on (571) 272- 4090. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
